# East Side High School

## Take another look...

at where the road has led you. Take a deeper look into the person staring back in the mirror. Recall the last four years and what seemed like an endless journey and ask yourself who you are today. As you leave East Side take another look at the long hallways you became so accustomed to. Take another look the many faces of friends and teachers who saw you grow and mature, for they too are taking another look at you.

Take another look at the memories you have created not recorded in this book, the people you met not pictured in this book, and the great times you had not mentioned in this book. Carry the Torch handed down to you from generations of graduating classes proudly and with honor. Take pride in your achievements, your knowledge, and your results as you too hand down the Torch to those that follow you.

Take another look at how you will remember your Alma Matter. Will East Side High School become just another address in book or a place where you can call home? Take another look at our mantra and join in the chorus

## TO THE 2007 CLASS,

Let me begin by saying that you are on the road to GREATNESS. As your high school experience comes to a closure, a whole new world of marvel and adventure awaits you. Allow the adventures of life reveal that beautiful human being that you are! Never forget your true self. In the words of Marianne Williamson: Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. We ask ourselves, who am I to be brilliant, gorgeous, talented, and fabulous? Actually, who are you not to be? You are a child of God. Your playing small doesn't serve the world. There's nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We are born to make manifest the glory of God that is within us. It's not just in some of us, it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.

Remember that you are embarking on a journey of dreams. Dream the impossible! Dream of being a GREAT human being!

## The Class of 2007 would like to thank the retirees for their efforts and dedication.

Mary Leonardis ~ Language Arts

Whether they have been with us at East Side for four years or for thirty years, the teachers and staff leaving us this year have dedicated themselves to the education of hundred, if not thousands of students throughout the years. From the classroom to the track field to the library and the tennis court, those retiring this year have left a deep impression on us all.

We are proud to have called them teachers, coaches, and friends. We wish them the best of luck in their future endeavors and remind them that there will always be a place at East Side HS for them.

## Teachers Gone, Never Forgotten

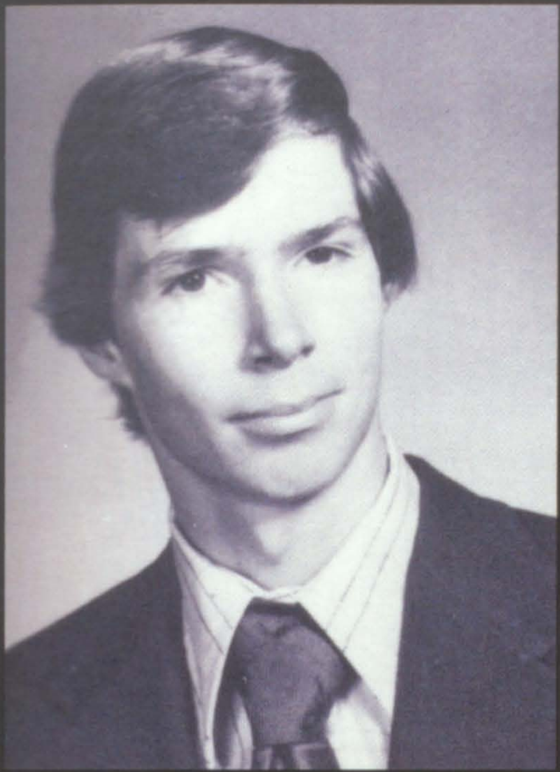

The bell rings
The day begins
Students rush to class
Sit anxiously in their seats
They listen, only silence roam the halls
What of their teacher?
Students listen for the heavy stomps of rapid footsteps
Nothing
The desk that once rustled with papers
Messy, with books stacked, and late passes pouring
Pouring out the drawers
Now empty
No teacher?
They catch each others stares
Sink back dumbfounded into their chairs
Contemplating
How will we learn?

The bell rings unexpectedly
The day already passed
Students flee the vacant classroom
where a teacher
A teacher once spoke
From their pockets of infinite wisdom
Came the lesson from which students
matured
Flourished
Ready to strive in this world
These teachers gone, though never
forgotten

In Loving Memory Of
Teachers Gone, Never Forgotten
They Will Be Missed Dearly

# East Side High School
# Roster of Superior Merit

**CLASS OF 1974**

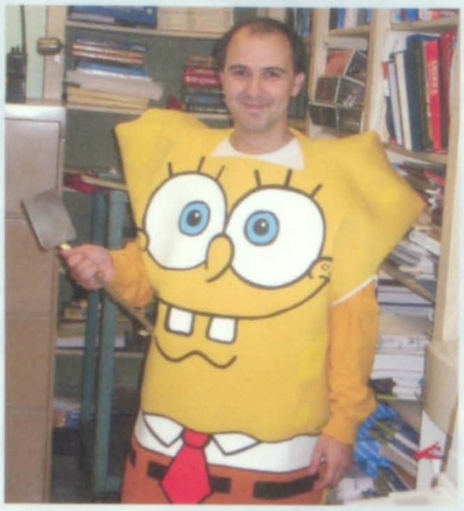

***The Class of 2007*** is proud to award the *Roster of Superior Merit* to Dennis Letts. Mr. Letts graduated from East Side HS in 1974 and went on to Kean University where he earned a degree in Political Science in 1979. During the next four years, Dennis was a Probation Officer with the Essex County Probation Department.

In June 1984, Dennis embarked on an extensive career with the US Secret Service as a Special Agent in the New York Field Office. During his tenure as a Secret Service Agent, Dennis was instrumental in the protection of US Presidents, Heads of State, and even the late Pope John Paul II when he visited the states in 1995. Mr. Letts has been faced with many difficult tasks in his career, from stopping illegal selling of drugs, stolen credit cards, and weapons, to money laundering and undercover work. However, a defining moment came for Dennis in February 1993 when a bomb detonated beneath the World Trade Center. Eight years foward and Dennis faced yet another attack on the World Trade Center. This time, Mr. Letts and his collegues were instrumental in the evacuation of thousands of people before the tragic fall of the Towers. Dennis continued to serve our country until his retirement in 2006.

We are proud to have someone like Dennis Letts represent the spirit of East Side HS and carry the *Torch* high so that we can be safer, stronger, and above all, Free!

THANK YOU ON BEHALF OF THE CLASS OF 2007!

In the bustling city's bosom,
Like a gem most rare,
Shine the noblest of our treasures,
Shines our High School fair.

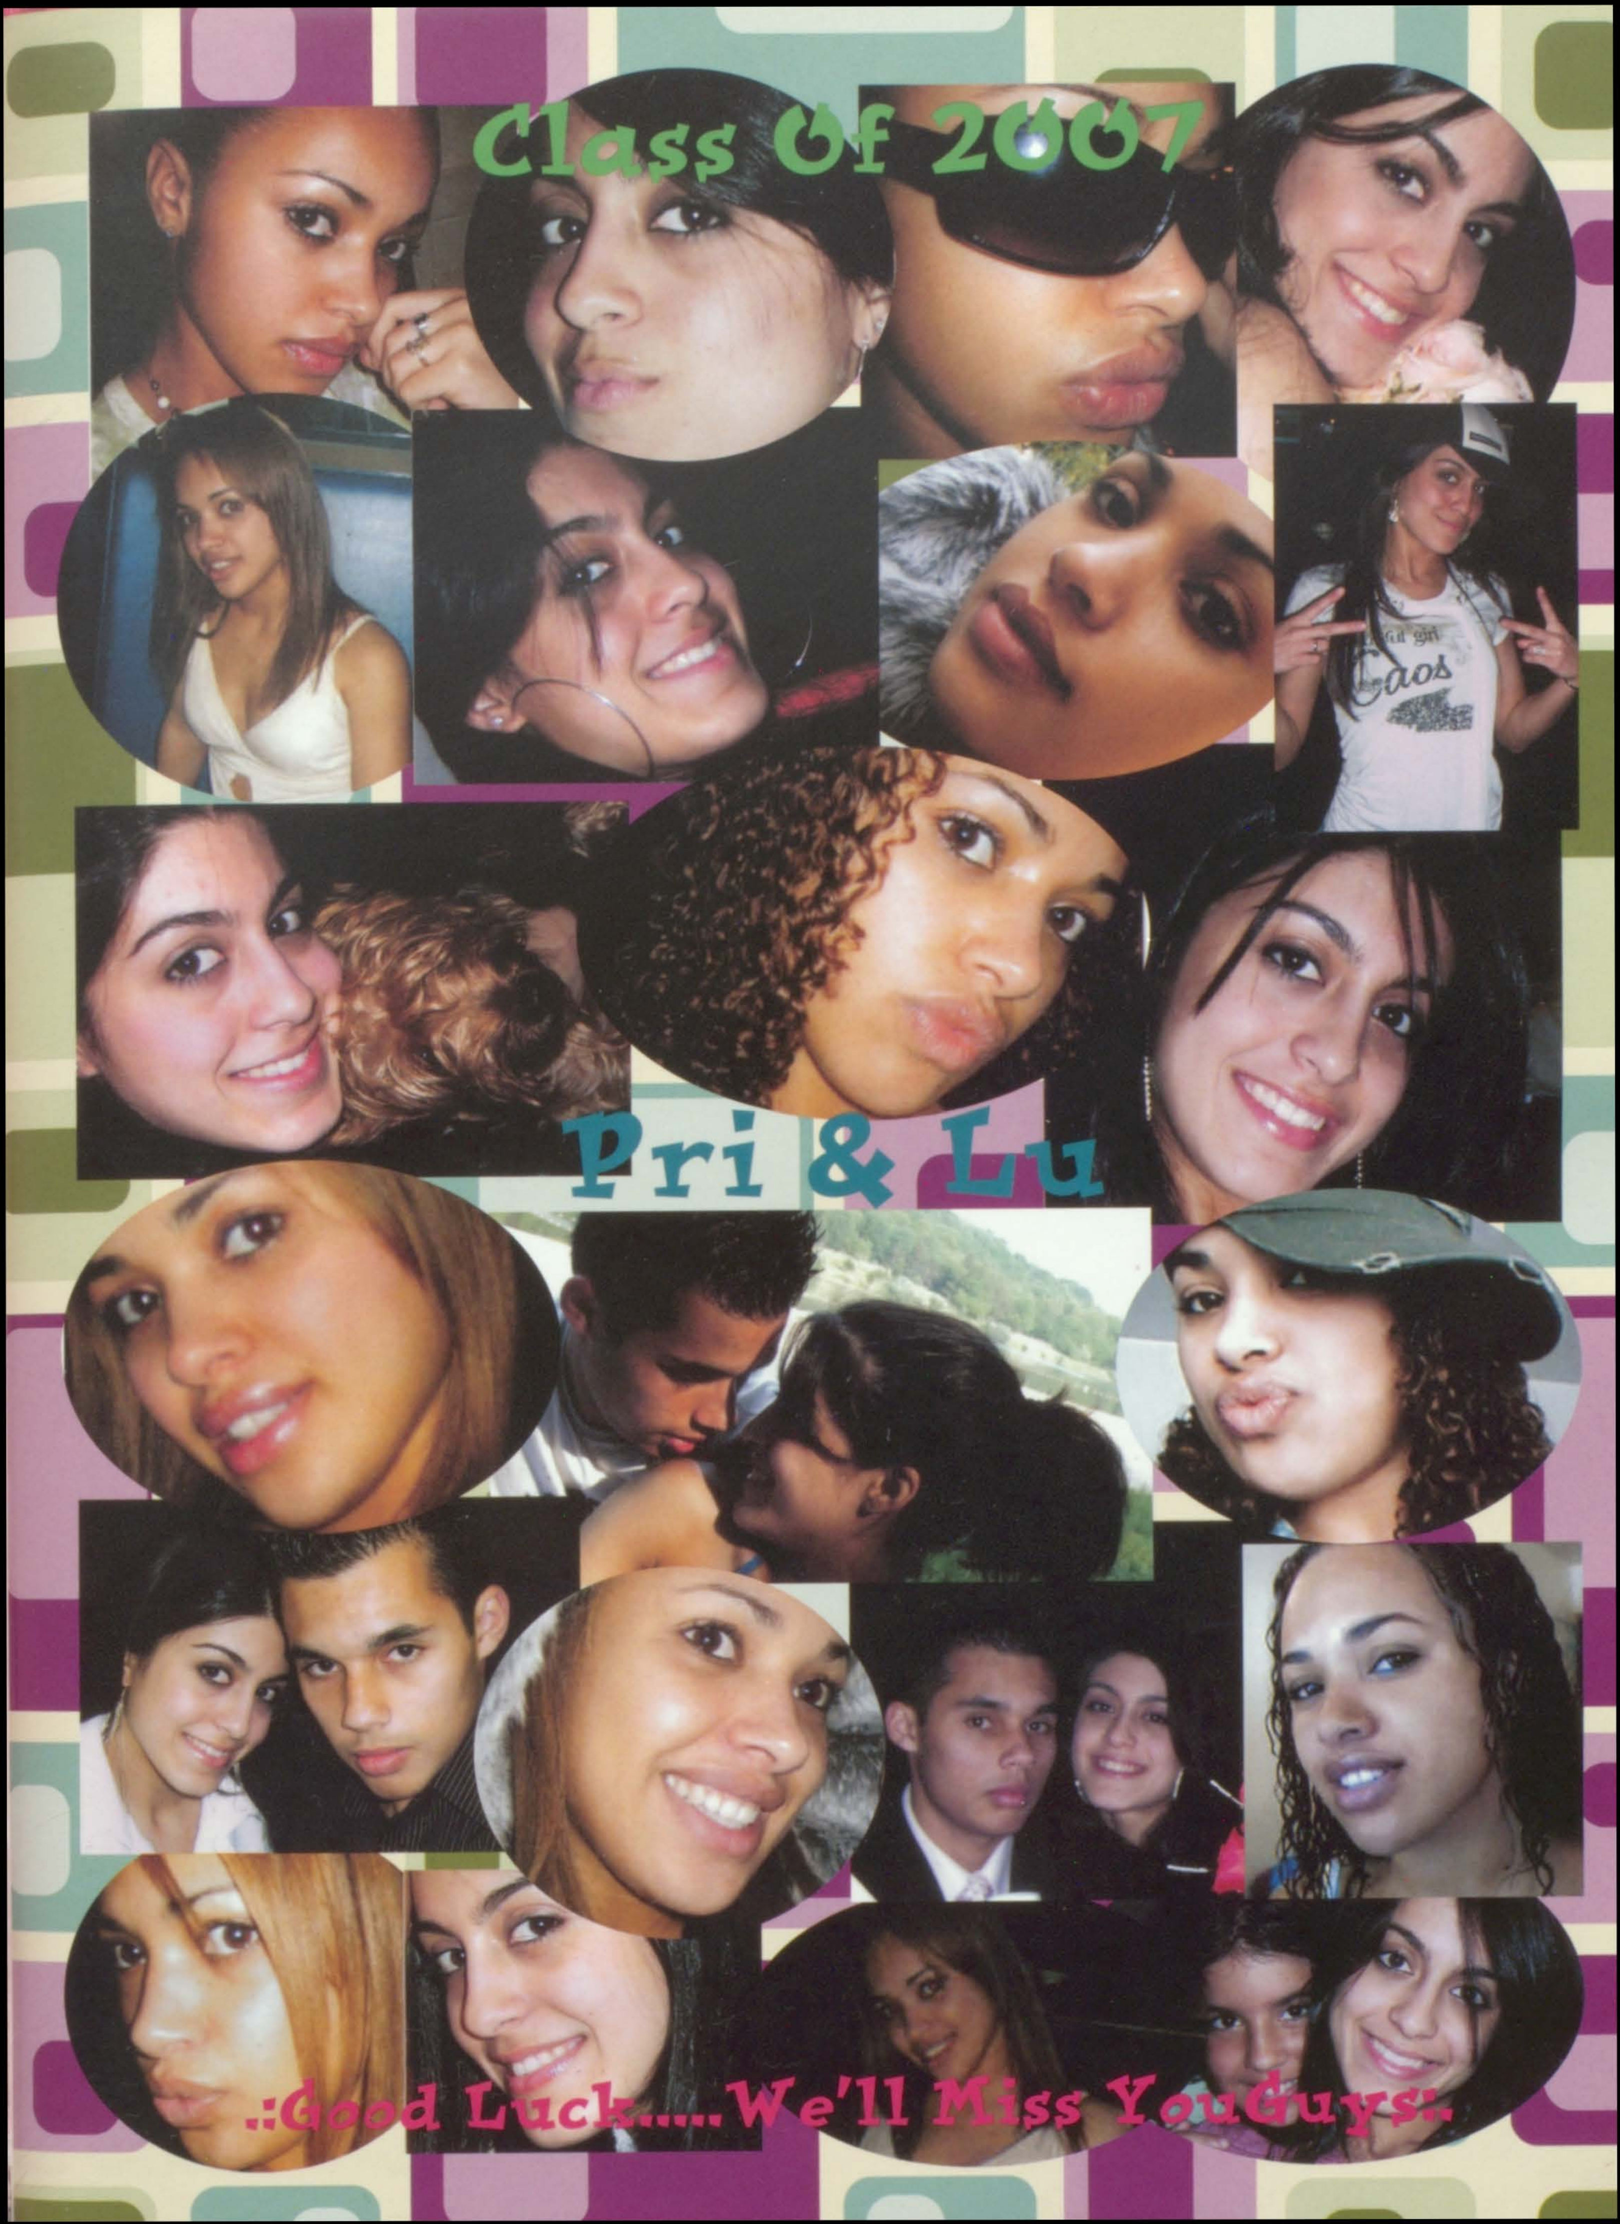

Hail, all hail, dear East Side High School,
Green thy memory be,
By the bond of happy hours
Are we bound to thee.

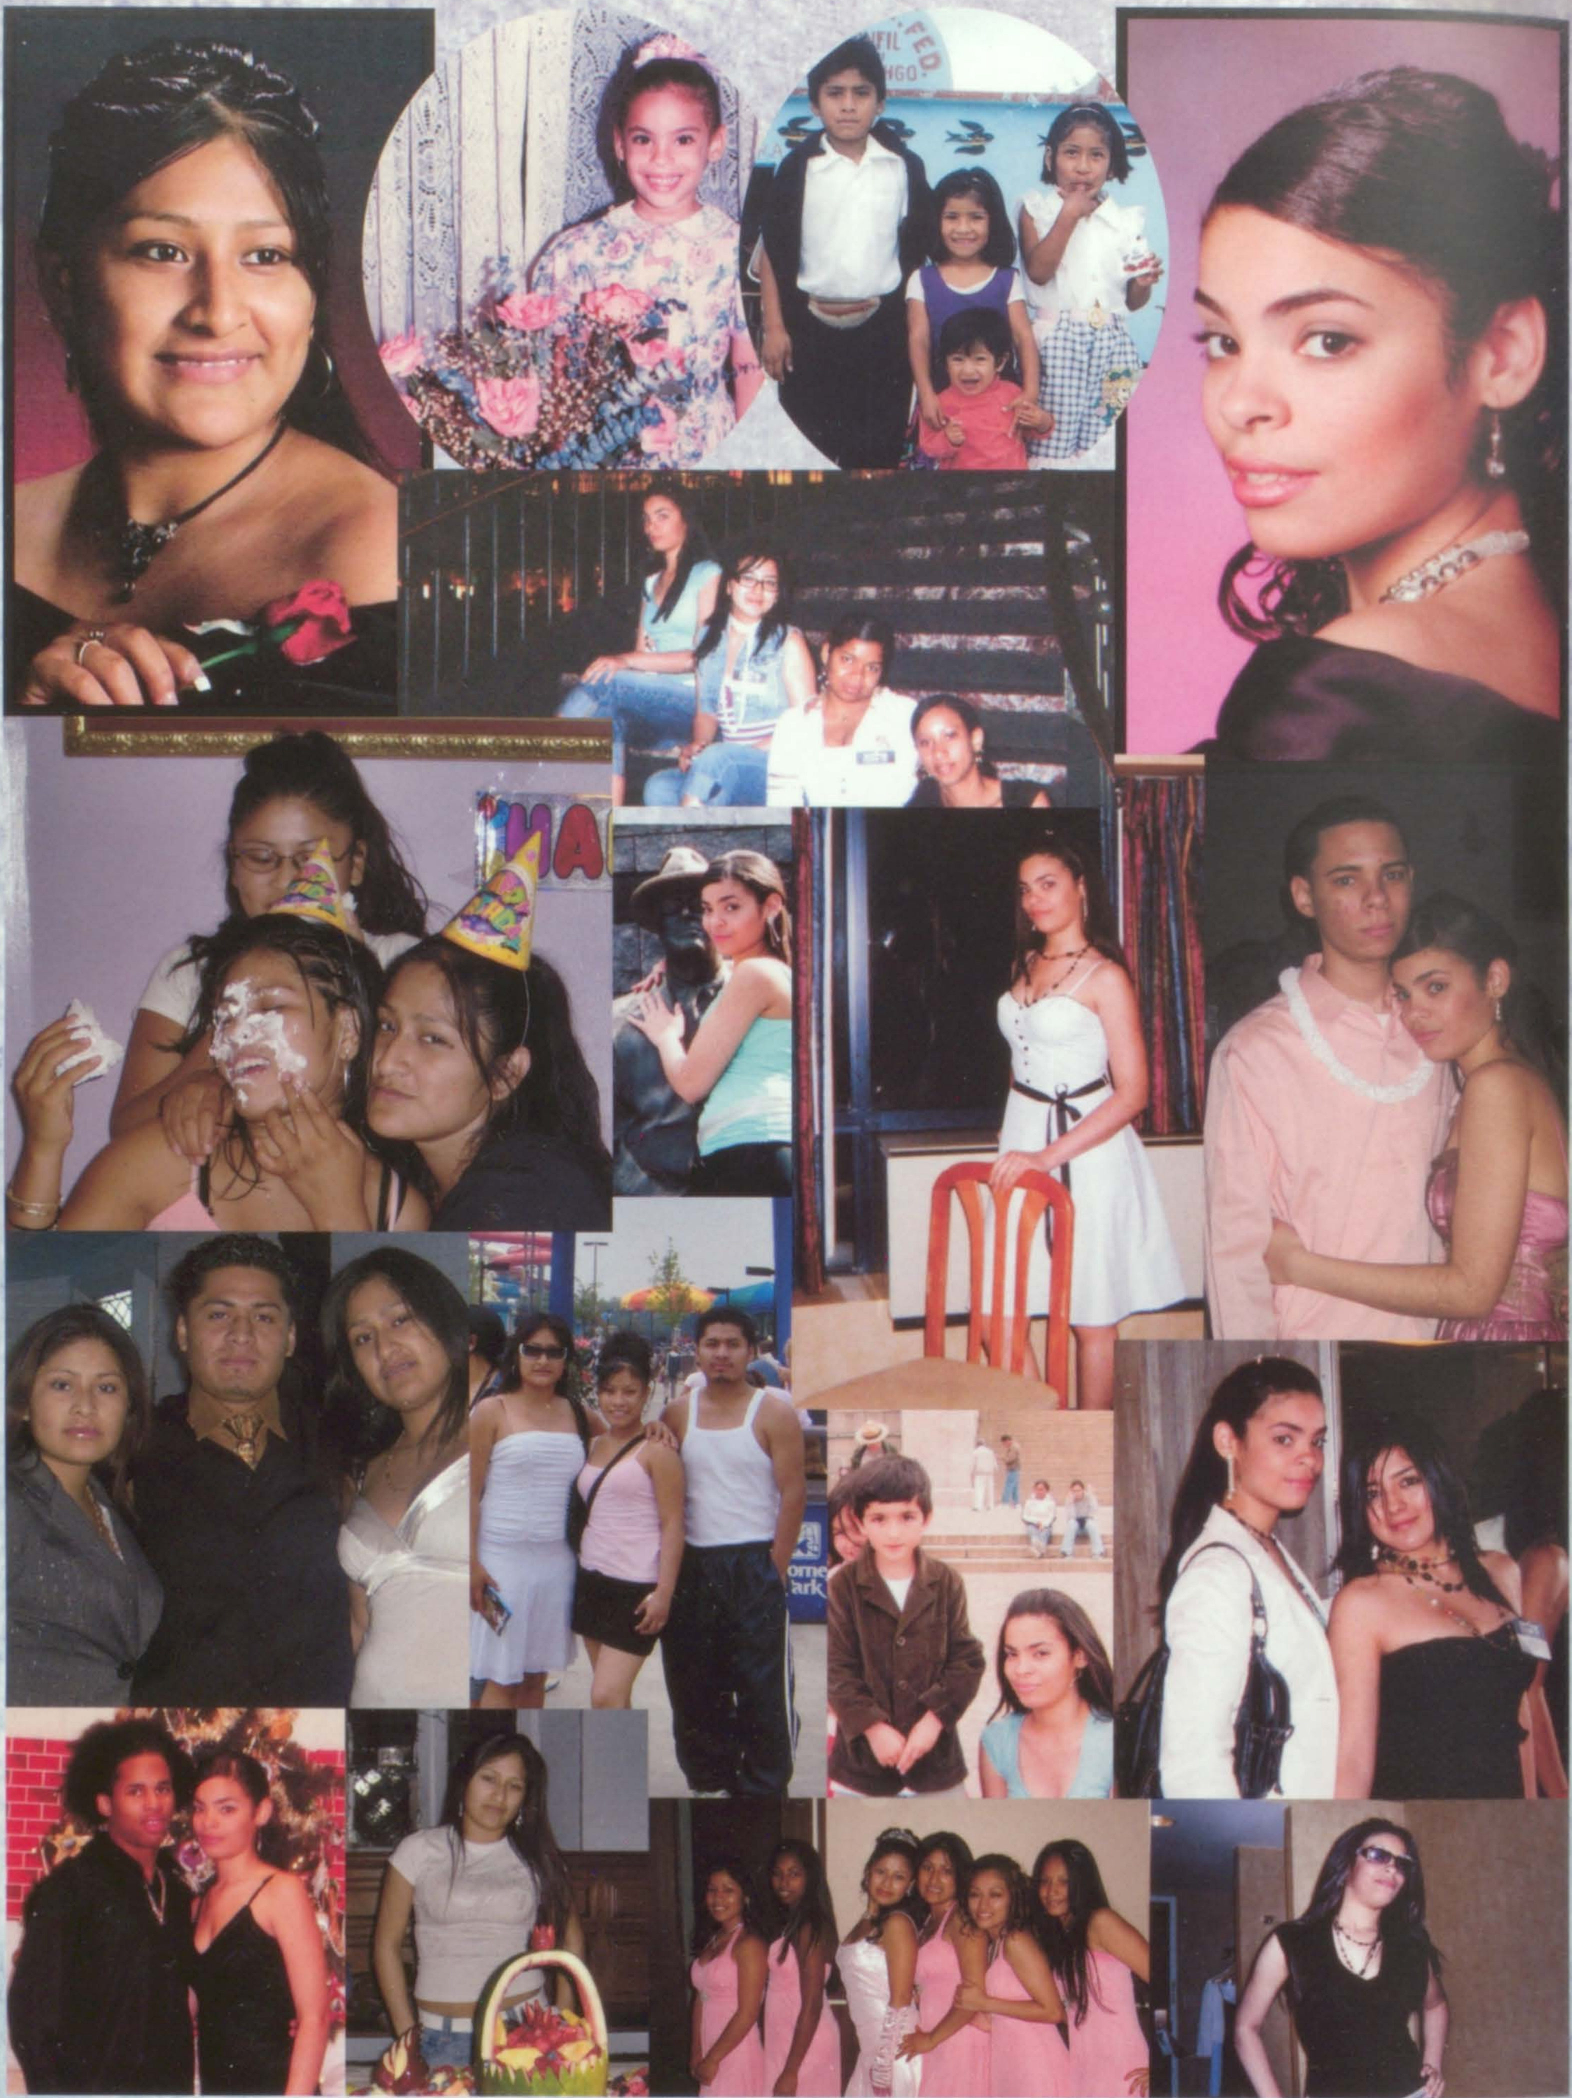

In the field, the hall, the city,
Loyal to they name,
Be it ever our endeavor
Far to spread thy fame.

Down the vista may we see thee,
Of advancing age,
Never dimmed through farther distant,
Youth's bright heritage.

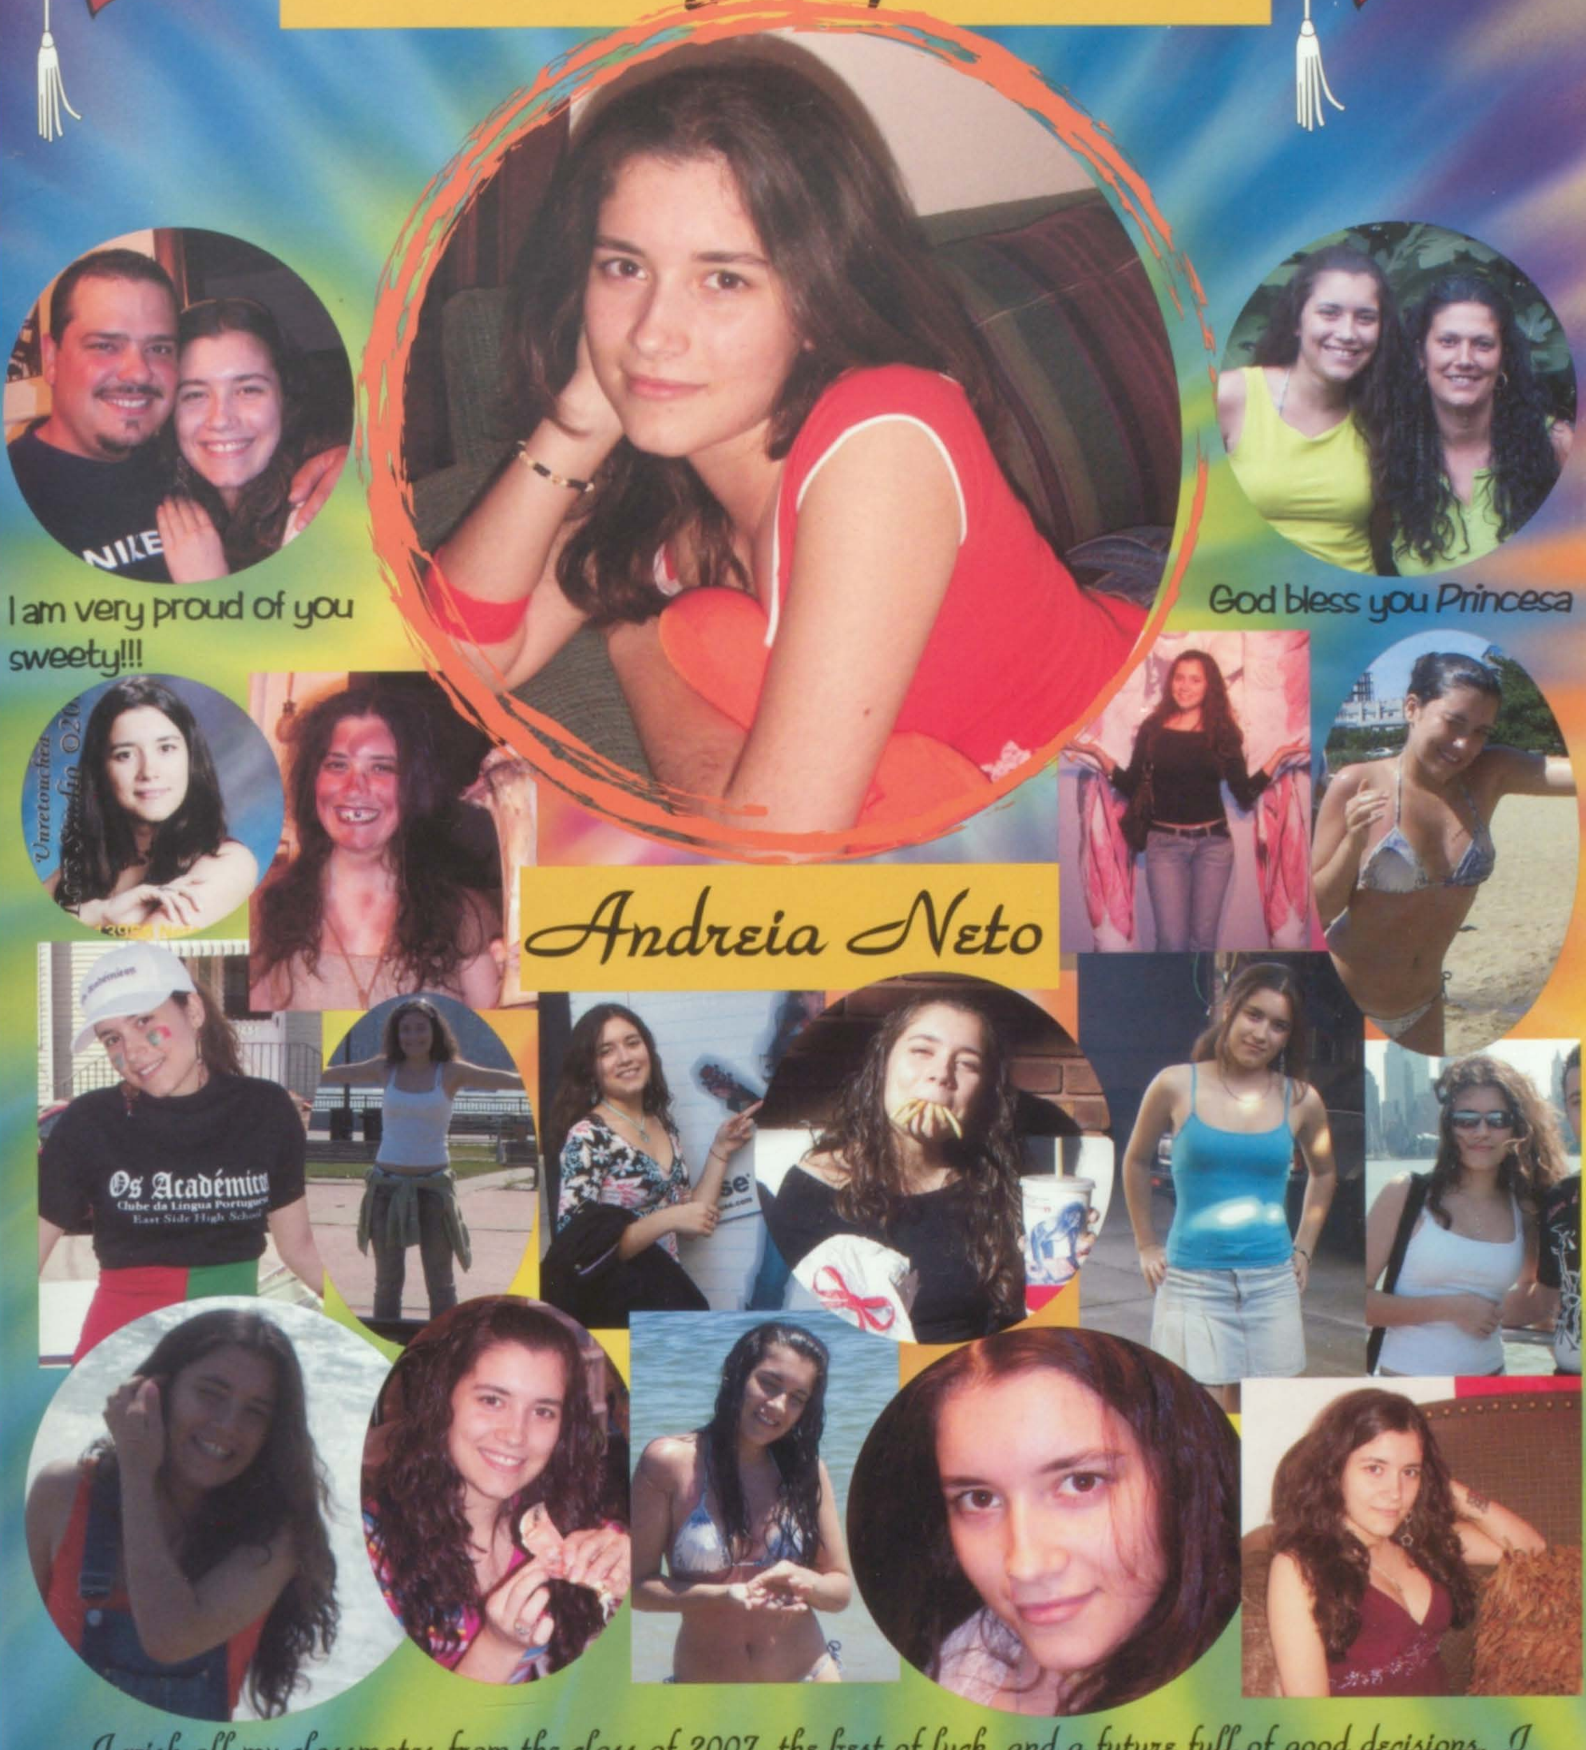

Then unite inloyal praises,
Ere the glad day run,
In the world are many high schools,
In our hearts but one.
